The Women's College
ready to lead

Living at The Women's College is not just for regional, rural and international students.

We have many students from Greater Brisbane who reside at Women's while studying at university to enjoy an enriched College Experience.

“When my dad and aunty were younger, they both attended College at UQ with my aunty residing at Women's and they found it to be one of the most enjoyable experiences of their lives. I was keen to have the same experience so became an associate member in my first year at university. I enjoyed Women's immensely and become a resident this year even though my family lives a 20 minute drive away. I love every minute of College! The community is so supportive and it helps me balance out my sport and studies.” – Zoe Garraway

Social Events

At Women's we encourage you to become involved and make the most of your College experience while studying at university.

Commencement Dinner

This is the first Formal Dinner on the College calendar where students dress-up in their evening attire and academic gowns to celebrate the start of a new year together.

Academic Dinner

A significant event for the College, is the Academic Dinner, where we award prizes to students for their academic achievements and recognise bursary and scholarship recipients.

Women's College Annual Ball

One of the most popular events is the Women's College Annual Ball. One event not to miss! It's held at a mystery destination each year.

ICC – Inter College Competition

There are opportunities to pursue your Sporting, Cultural and Community interests, which are an important part of College life at Women's. High participation rates and strong levels of support are encouraged from every student. There are endless sports to play, including swimming, water polo, rowing, netball, touch and many more. Cultural competitions include College Idol, Bandfest, Choralfest, Dancefest, One Act Play, Oratory, Debating and Chess. Plus a range of community events including fundraising and volunteering.
